

Shield Your Outboard: The Panther Safe Skeg

The Panther Safe Skeg is your ultimate defense against costly skeg damage and downtime. This marine-grade stainless steel shield safeguards your outboard from the dangers that lurk beneath the surface:

- **Ground Strikes:** Unseen hazards are no match for the Safe Skeg. It absorbs impact, protecting your skeg from expensive repairs.
- **Debris Encounters:** Rocks, weeds, and other underwater obstacles are deflected by the Safe Skeg's superior strength.
- **Corrosion's Wrath:** Unforgiving saltwater is repelled by the impenetrable stainless steel, keeping your skeg looking sharp for years to come.

The Panther Safe Skeg installs in minutes with the included:

- Mounting hardware
- Allen wrench
- Loctite® 262 for a secure hold
- Easy-to-follow instructions

The Panther Safe Skeg is a wise investment, offering:

- **Peace of Mind:** Enjoy worry-free boating, knowing your outboard is shielded.
- **Saved Time and Money:** Avoid costly repairs and downtime caused by skeg damage.
- **Extended Lifespan:** The Safe Skeg protects your outboard for years to come.

Find the perfect fit for your outboard! (See compatibility chart on reverse side)
